16 Excesses

Where excesses are shown in the schedule and/or elsewhere in this part of the policy, you have agreed to pay these for each incident of loss, damage or liability. Certain excesses are cumulative depending on the type and circumstances surrounding a particular claim. In most cases we will deduct the total excess amount from the settlement we make but, where we are obliged to settle a third party property claim in full without deducting any applicable excess(es), we will claim back the amount from you and you agree to pay it to us without delay. Failure to do so may result in the cancellation of the policy.

Where your schedule shows that you are required to or have, in order to obtain a premium discount, elected to have a camera, digital CCTV recording system and/or telematics fitted in or to a vehicle, you must

- i) ensure that these
 - a) have been installed and are being used in accordance with manufacturers' requirements and instructions for their correct operation
 - b) are fully operational and activated at all times
- ii) keep all maintenance contracts and/or service subscriptions in force.

18 Motor Insurance Database disclosure

If your vehicle's registration number is not shown correctly on your policy documents you must contact us immediately to ensure that penalties will not be imposed.

If the law of any country in which this policy operates obliges us to pay a claim which we would not otherwise have paid, we may recover this amount from you or the person who incurred the liability.

20 Contracts (Rights of Third Parties) Act

No person, persons, company or other party not named as the policyholder in this policy has any right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms and conditions of this policy. This does not affect any right or remedy of a third party that exists or is available apart from that Act.

21 Governing law

You and we are free to choose the law applicable to this policy but, in the absence of any written agreement to the contrary, the policy will be governed and interpreted in accordance with English law and, other than where specifically stated otherwise, subject to the exclusive jurisdiction of the English courts.

22 Jurisdiction

This policy is subject to the exclusive jurisdiction of the English courts.

Please do not

- admit responsibility, negotiate any payment or refuse any claim without our written consent

Motor Insurance Database

It is a legal requirement that details and registrations of the vehicles you own are added to the MID which is managed by the Motor Insurers' Bureau (MIB). MID data may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVA, the Insurance Fraud Bureau and other bodies permitted by law, for electronic vehicle licensing, Continuous Insurance Enforcement, preventing and detecting crime, reducing the incidence of uninsured driving and for the provision of government and other services aimed at reducing the level and incidence of uninsured driving.

Other insurers and the Motor Insurers' Bureau may search the MID to ascertain relevant policy information if you have been involved in a road accident whether in the United Kingdom or abroad.

Other people pursuing a claim in respect of a road traffic accident, their personal or appointed representatives, whether within the United Kingdom or overseas may also obtain relevant information which is held on the MID.

Driving licence information

Driving licence checks may be completed prior to renewal of the policy where you have supplied your own and your named drivers licence details.

Tradex is a member of the Employers' Liability Tracing Office and details of all policies are available on the tracing office's website at www.elto.org.uk.

MOTOR INSURANCE DATABASE DISCLOSURE

You are required to comply with the regulations relating to the MID for DVLA and DVA registered vehicles. It is therefore your responsibility to ensure that the MID is kept fully up to date. This means that the vehicles to be insured must be advised to and accepted by us. Individual certificates will be issued for each vehicle. No cover is in force unless you have a cover note or Certificate of Motor Insurance showing the registration number of the vehicle. The vehicle details provided will be recorded on the MID.

If the vehicle's registration number is not shown correctly on your policy documents or you cannot find your vehicle on the MID, please contact us immediately. If you do not, the vehicle may be clamped, seized or destroyed and other penalties imposed including points being added to your driving licence. You can check that your correct registration number is shown on the MID at www.askMID.com.

As you are obligated to advise every person who will be insured by the policy of these requirements, we strongly recommend that you keep a copy of the completed proposal form and/or the statement of fact, and any supplementary questionnaires and show them to everyone who will be entitled to drive.
