## INTRODUCTION TO YOUR POLICY

---

Thank you for choosing the Tradex Homefleet insurance to provide protection for all your vehicles. We are pleased to welcome you as a valued client.

This policy is a legal contract which relies on the information you supplied when you applied for this insurance. We use the information to decide what cover to provide and how much you will pay. It is therefore essential that all the information given is complete and accurate and that you have not withheld or misrepresented any information which will affect your insurance. It is also important that, throughout the life of this policy, you tell your broker, agent or us immediately if there are any changes in your circumstances or to the information already given. See General Condition 8 – Notifying changes and non-compliance and the list given on page 23 information about what should be notified to us and when. If you are not sure whether something is important or relevant, please tell your broker, agent or us anyway as failure to do so may affect a claim, the cover provided, invalidate your insurance or result in it not operating fully or a claim payment being reduced.

This policy, together with your schedule, certificate of motor insurance and any endorsements that apply, sets out the insurance protection being provided in return for your premium. It also tells you how to make a claim and how to contact us.

This policy may be insured by more than one insurer or co-insurer. The schedule will show this and detail who the insurers or co-insurers are.

The subscribing insurers' obligations under this contract of insurance are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing insurers are not responsible for the subscription of any co-subscribing insurer who for any reason does not satisfy all or part of its obligations.

Please read all the documents carefully and keep them in a safe place. You will see that certain words and phrases which have specific meanings have been defined and are in bold type throughout your policy. If you find any errors in any of the documents we have sent you, please tell us immediately so that we can make the necessary changes. We recommend that you keep a copy or record of all information you give to your broker, agent or to us.

We hope your association with us will be a long and successful one.

If the **vehicle** is not classified as irreparable and you are not eligible for a new **vehicle** (see New vehicle replacement below) you may, if we agree, purchase the salvage. In the event that the **claim** is not covered, we will pay you the amount received for the salvage plus any interest earned. Any cash settlement we offer will be subject to the deduction of the applicable **excesses**.

Cover for the damaged **vehicle** will end from the date you accept our settlement or we reject the **claim**. Unless specifically varied elsewhere in this section, an additional premium will be required if the cover is to continue on a replacement **vehicle**.

### Hire purchase or leasing agreements

If, to our knowledge, the **vehicle** does not belong to you or is the subject of a hire purchase or leasing agreement we will, in the event of a **total loss**, make the payment, less any **excess(es)** to the legal owner, whose receipt will be a full and final discharge to us.

### New vehicle replacement

If the **vehicle** is damaged or stolen within twelve months of its purchase as new and it has covered fewer than 10,000 miles, we will at your request replace it with a new one of the same make, model and specification provided that the damaged **vehicle** is a **total loss** or the stolen **vehicle** has not been recovered and you pay the applicable **excess(es)**.

- a) Where the **vehicle** is no longer in production and/or is not available in the **United Kingdom**, we will pay you the lower of
  - i) the invoice price you paid for the **vehicle** or
  - ii) the cost (including taxes) of the nearest equivalent model and specification currently available in the **United Kingdom** from the same manufacturer
- b) you pay the applicable **excess(es)**
- c) the first registered owner of the **vehicle** is the **policyholder**, the **policyholder's spouse** or the manufacturer or supplying dealer if the mileage at the time of purchase was less than 250 miles and the **vehicle** was not an ex demonstration model or sold as 'nearly new'
- d) the **vehicle** is owned or was purchased under a hire purchase agreement by you or your spouse but not if the **vehicle** is subject to any type of lease or contract hire agreement where ownership of the **vehicle** is not passed to you
- e) any interested finance company gives us their agreement.

### Imported parts and accessories

If, following loss or damage, any replacement parts or **accessories** cannot be obtained in the **United Kingdom**, the most we will pay is the cost of comparable items which can be obtained from a supplier in the **United Kingdom**.

### Obsolete parts

If, following loss or damage, any replacement parts are found to be obsolete or unobtainable in the **United Kingdom**, the most we will pay is the cost of comparable items available from a supplier in the **United Kingdom**.

- ii) where there is no claim for loss of or damage to the vehicle itself, you pay the applicable excess
- iii) the items are not more specifically insured.

### Lock and key replacement

- a) damaged glass in the vehicle's windscreen, sun-roof or windows
- b) any scratching of the bodywork caused solely by the breakage of the glass or the repair itself.

The applicable excess shown in the schedule for this extension will not be applied if you use our appointed supplier to repair the windscreen or if any other excess is applied because of additional damage.

If you choose not to use our appointed supplier to replace or repair your windscreen an additional excess of £50 will be charged for replacement and £10 excess if repaired.

## 8 Notifying changes and non-compliance

**You** must notify **us**

- i) any changes to
  - a) the information given to **us** which may affect this insurance within 14 days (see Supplying information and notifying changes on page 23 for examples)
  - b) the use(s) of the **vehicle(s)** immediately
- ii) **your** inability to comply with any of the terms and conditions of this **policy**.

Should **we** become aware of any change or non-compliance which may affect this **policy**, **we** reserve the right to

- cancel **your policy** and/or
- not pay any **claim** in part or in full and/or

(For further detail, see the privacy notice on page 24.)

## 10 Cooling off period

We hope you are happy with your policy but if you are not and decide not to proceed, you have 14 days from the date you receive your policy to cancel. Any refund given will be subject to a charge for the period that cover has been in force. If you cancel this policy we will charge a minimum of £35 plus IPT to cover the administrative cost of providing this policy. If a claim has been made or an incident which may give rise to a claim has occurred, the full annual premium remains payable and no refund will be allowed.

## 11 Cancellation

This policy may be cancelled by

- i) you giving us written instructions

A proportionate refund of premium will be allowed unless

### Important notes

In accordance with The Motor Vehicle Order 2010 (Electronic Communication of Certificates of Insurance), you may cancel the policy by sending a formal electronic notice to confirm the date and time your cover ceased to

[compliance@tradexinsurance.com](mailto:compliance@tradexinsurance.com)

If we cancel your policy we will provide you with seven days notice of termination to your last known address as shown in your policy schedule.

If you pay your premiums by instalments and fail to pay an instalment your policy may be cancelled within 7 days of the failure to pay and we may exercise our right to collect the outstanding balance of the premium.

## 12 Monthly policies

Where your schedule and/or certificate of motor insurance shows that the policy provides only one month's cover for each premium paid, you must pay that premium when it is due otherwise we may cancel the policy from that date.

## 13 Other insurances

If, at the time a claim is made under this policy, another insurance exists that would cover the same loss, damage or liability, we will only pay our share of the claim except where stated otherwise in this policy.

## 14 Policy charges

If you make any alterations to this policy or request a duplicate certificate of motor insurance during the period of insurance, we may levy a policy charge of £35 plus IPT per amendment or copy.

## 15 No claim bonus

We will, if applicable and depending on the number of claims arising during each twelve month period of insurance, increase or reduce the annual renewal premium in accordance with the standard and protected bonus scales which apply at the time. The percentage discounts which the bonuses represent are our standard scales shown in the schedule. The bonus allowances will be at our sole discretion and we may reduce your bonus if we are still investigating a claim at renewal.

If **we** have not received proof of **your** no claim bonus from **your** current or previous insurer within 30 days of cover starting, **we** may, at **our** option charge an additional premium and/or cancel the **policy**.

Where **you** have protected **your** no claim bonus and **you** have made a **claim** during the **period of insurance** **we** may increase **your** premium at renewal.

Both standard and protected no claim bonuses

- a) will be applied, depending on the basis on which the premium has been calculated, as if a separate insurance had been issued for each **vehicle** or driver shown in the **schedule**
- b) cannot be
  - i) earned if the **period of insurance** is less than twelve months
  - ii) transferred to another person or **business**
  - iii) transferred to another **vehicle** following a **total loss** unless **we** agree otherwise.

When calculating the no claim bonus, **we** will disregard those **claims** where **we** are able to make a full recovery of **our** outlay.

## 16 Excesses

Where **excesses** are shown in the **schedule** and/or elsewhere in this part of the **policy**, **you** have agreed to pay these for each incident of loss, damage or liability. Certain **excesses** are cumulative depending on the type and circumstances surrounding a particular **claim**. In most cases **we** will deduct the total **excess** amount from the settlement **we** make but, where **we** are obliged to settle a third party property **claim** in full without deducting any applicable **excess(es)**, **we** will claim back the amount from **you** and **you** agree to pay it to **us** without delay. Failure to do so may result in the cancellation of the **policy**.

## 17 Emergency, medical and overnight expenses

- If **you** or any passenger in **your vehicle** is injured as a direct result of an accident, **we** will
- i) reimburse **you** for any payments made for emergency treatment under any **Road Traffic Act** (if this is the only payment **we** make, **your** no claim bonus will not be affected)
  - ii) pay up to
    - a) £250 per injured person and £1,000 in all for medical expenses *other than physiotherapy treatment, arising from the accident*
    - b) £250 per injured person and £1,000 in all for treatment from a chartered physiotherapist provided that **we** have agreed the course of treatment in advance
    - c) £250 in total towards necessary overnight hotel expenses incurred by the driver and passengers in **your vehicle** if it cannot be driven after an insured accident or loss.

## 18 CCTV and telematics

Where **your schedule** shows that **you** are required to or have, in order to obtain a premium discount, elected to have a camera, digital CCTV recording system and/or telematics fitted in or to a **vehicle**, **you** must

- i) ensure that these
  - a) have been installed and are being used in accordance with manufacturers' requirements and instructions for their correct operation
  - b) are fully operational and activated at all times
- ii) keep all maintenance contracts and/or service subscriptions in force.

## 19 Motor Insurance Database disclosure

Where a **vehicle** is registered with the **DVLA/DVA**, its details must be added to the **MID** which is managed by the Motor Insurers' Bureau (MIB). If the registration number is not shown correctly on **your policy** documents or **you** cannot find **your vehicle** on the **MID** at [www.askmid.com](http://www.askmid.com), **you** must contact **us** immediately. If **you** do not, the **vehicle** may be clamped, seized or destroyed and other penalties may be imposed including points being added to **your** driving licence.

It is equally important that **vehicle** registration numbers are removed from the **MID** when a **vehicle** is sold. Leaving a sold **vehicle** on **MID** may leave **you** liable to penalties including points being added to **your** driving licence, and could also mean a third party claimant might still be able to make a **claim** against **your policy**.

## 20 Rights of recovery

If the law of any country in which this **policy** operates obliges **us** to pay a **claim** which **we** would not otherwise have paid, **we** may recover this amount from **you** or the person who incurred the liability.

## 21 Contracts (Rights of Third Parties) Act

No person, persons, company or other party not named as the **policyholder** in this **policy** has any right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms and conditions of this **policy**. This does not affect any right or remedy of a third party that exists or is available apart from that Act.

## 22 Governing law

**You** and **we** are free to choose the law applicable to this **policy** but, in the absence of any written agreement to the contrary, the **policy** will be governed and interpreted in accordance with English law and, other than where specifically stated otherwise, subject to the exclusive jurisdiction of the English courts.

## 23 Jurisdiction

This **policy** is subject to the exclusive jurisdiction of the English courts.

## 24 Acts of Parliament

All Acts of Parliament and regulations referred to in this **policy** are understood to include any subsequent or amending legislation as well as equivalent legislation enacted elsewhere in the **United Kingdom**.

## 25 Disagreements and disputes

### Amount of claim

Where **we** have accepted a **claim** but there is a disagreement over the amount to be paid, the matter will be referred to an arbitrator appointed in accordance with the current statutory provisions or, if applicable, to the Financial Ombudsman Service. When this happens, an award must be made before proceedings can be started against **us**.

### Other disputes

Any other dispute under or in any way relating to this **policy** will be submitted to the exclusive jurisdiction of the English courts.

### Complaints

See page 28 for the full complaints procedure.

Being involved in a motor accident can be traumatic. The following will help you with some of the practical steps you will need to take. The more information you can give us, the better able we will be to defend your position and if you are at fault, settle the other party's claim quickly.

#### You must

- advise us within 48 hours so that your claim is not prejudiced
- produce your certificate of motor insurance and driver's licence on request.

#### At the scene make a note of

- the names and addresses of the people involved including your passengers and any independent witnesses
- details of the other vehicles involved including the
  - registration numbers

In addition, if it is safe to do so and you have a camera or a phone with a camera, photograph the damage to vehicles and property. If not make a rough sketch of the accident including the position of your vehicle at the time of impact.

#### Please do not

- admit responsibility, negotiate any payment or refuse any claim without our written consent
- drive your vehicle if it is not roadworthy or if driving will, in any way, increase the damage.

### All other incidents

#### You must

- tell the police about all incidents of
  - theft or attempted theft
  - damage or injury caused by malicious persons or vandals
- if the stolen vehicle is fitted with a tracker, immediately notify the tracing company

  - obtain a loss number from the police
  - if applicable, advise the relevant lost property office
- if applicable, make a note of the name and number of the attending police officer and obtain the crime number

## MOTOR INSURANCE DATABASE DISCLOSURE

---

You are required to comply with the regulations relating to the MID for DVLA and DVA registered vehicles. It is therefore your responsibility to ensure that the MID is kept fully up to date. This means that the vehicles to be insured must be advised to and accepted by us. Individual certificates will be issued for each vehicle. No cover is in force unless you have a cover note or Certificate of Motor Insurance showing the registration number of the vehicle. The vehicle details provided will be recorded on the MID.

If the vehicle's registration number is not shown correctly on your policy documents or you cannot find your vehicle on the MID, please contact us immediately. If you do not, the vehicle may be clamped, seized or destroyed and other penalties imposed including points being added to your driving licence. You can check that your correct registration number is shown on the MID at [www.askMID.com](http://www.askMID.com).

As you are obligated to advise every person who will be insured by the policy of these requirements, we strongly recommend that you keep a copy of the completed proposal form and/or the statement of fact, and any supplementary questionnaires and show them to everyone who will be entitled to drive.
